All bills are now being mailed to the property owner. We do send tax information to mortgage companies electronically if they request it, so you may want to check with your mortgage company to be sure they have requested and received your tax information for payment.

Property tax deferments allowed under MCL211.51 can be taken, and the deferred tax then becomes payable on Wednesday, February 14, 2018. See back for this form.

Please list **all parcels** you are deferring to ensure they are properly deferred. You may list them all on one form. Please be sure to sign the form before mailing back to me at P. O. Box 36, Corunna, MI 48817.
Last Day to Defer is September 14, 2017.

Tax information is now available online through our tax software provider's website— BS&A. A property owner can set up an account and view information on his or her own properties. Access to information about properties other than your own will cost $2.00 per record. The link to the website is: http://newhaventwp.is.bsasoftware.com/. The site is updated with payments received as they are processed by the township.

The website has help in setting up an account. They also offer assistance by emailing them at is@bsasoftware.com or you can call them at 1-855-BSA-SOFT (272-7638). If you own multiple properties that are not titled exactly the same, you may need assistance in order to see all of those properties online. The site also includes up to 10 years of tax history on each parcel.

Remember, if you want a paid receipt, you must request it!
